INTRODUCTION

At RIVA we have been committed to social, environmental, safety, quality and energy performance for over forty years. In addition to this commitment, which has earned us numerous ISO certifications, we are constantly seeking improvement at all levels of our company.

Our daily actions are marked by a common interest in maintaining our industrial performance while respecting the many requirements that surround us.

With the development of new communication tools, it is necessary to pay particular attention to the protection of privacy. That is why we are committed to respecting the confidentiality of the personal information we collect. The entry into force of Regulation No. 2016/679 of 27 April 2016 on data protection (hereinafter the “**GDPR**”) has strengthened the rights of individuals and the obligations of data controllers with regard to the personal data collected.

This policy sets out what types of data we may collect, how we process it and how we store it. Data security is an important aspect of our policy and we take care to apply appropriate technical and organizational measures depending on the data concerned.

This policy applies to the website www.rivaacier.com/fr (the “**Site**”) and to applications sent to RIVA by creating an account on <https://opportunities.rivagroup.com/fr/> (the “**Recruitment Site**”). Together, these websites are referred to as the “**Websites**”.

SHARING OF PERSONAL DATA

In the context of accessing, consulting, browsing and using the Websites and the services offered therein, your personal data may be communicated to the following recipients:

- RIVA and its authorized personnel,
- Subsidiaries, sister companies and members of the group to which RIVA belongs,
- Our service providers for hosting purposes,
- Our subcontractors for technical or logistical purposes,
- Administrative or judicial authorities, only in the event of an express and motivated request from them in the event of a proven infringement of legal or regulatory provisions,
- Our external advisers, only in the context of the management of possible disputes or for any other legal matter if necessary.

Specifically with regard to our Recruitment Site, the data you submit via our application form is used only by our Human Resources Department and those persons who are authorised to handle your application at RIVA. This data may be passed on internally to department heads who may be interested in your application.

DURATION OF DATA RETENTION

Data is kept for no longer than is necessary for the purposes for which it was collected. We will keep CVs collected for our CV Library for 1 year. If you do not want your CV to be kept, you can send your right to object to the conservation of your data to dpo.france@rivagroup.com or by post to RIVA-DPO Immeuble ALPA Z.I Limay Porcheville - 25 Avenue du Val 78440 Gargenville.

TRANSFER OF PERSONAL DATA OUTSIDE THE EUROPEAN UNION

Your personal data may be transferred to a country outside the European Union. In the event that the recipient country does not ensure a level of protection of personal data equivalent to that of the European Union, RIVA undertakes, after having carried out an evaluation of the level of protection of your rights on the territory of the third country where the recipient of your personal data is established, to take all necessary measures to ensure the protection of your personal data on the basis of appropriate guarantees (in particular standard contractual clauses).

EXERCISING YOUR RIGHTS

In accordance with the regulations applicable to the protection of personal data, you have the following rights with regard to your personal data under the conditions and within the limits provided for in the RGPD and the Loi Informatique et Libertés.

- you can ask to have **access** to the personal data that RIVA has on you and to obtain a copy of it, including in electronic format;
- you can request the **correction, updating and deletion of your personal data**, as well as the limitation of their processing;
- you can request that we **stop** using your personal data;
- you may withdraw your **consent** where consent has been obtained, without this affecting the lawfulness of the processing previously carried out;
- you may inform RIVA of your "last wishes" with respect to your personal data in the event of your death (e.g., deletion or transmission to any person of your choice).

In some cases, you must explain to RIVA why you are exercising one of these rights. In the interest of confidentiality and protection of personal data, RIVA may ask you to prove your identity in order to respond to your request. All requests will be processed as soon as possible and in accordance with the RGPD and the French Data Protection Act.

To exercise your rights, you can contact us by post or by e-mail at the following address:

dpo.france@rivagroup.com or by post at RIVA-DPO Immeuble ALPA Z.I Limay Porcheville - 25 Avenue du Val 78440 Gargenville.

If necessary, you can contact the authority responsible for protecting personal data, such as the CNIL via its website or by post: 3, place de Fontenoy - TSA 80715 - 75334 PARIS CEDEX 07.

This right can be exercised at any time free of charge, apart from the cost of the letter if applicable, and any assistance or representation costs if you choose to be assisted in this procedure by a third party.

SECURITY

The personal information we collect is kept in a secure environment. People working for us are required to respect the confidentiality of your information.

To ensure the security of your personal information, we use the following measures:

- Access management - authorized person
- Network monitoring software
- Computer backup
- User ID / password
- Firewalls

We are committed to maintaining a high level of confidentiality by incorporating the latest technological innovations. RIVA also ensures that its staff and others who process your personal data comply with its internal rules and procedures for processing personal data, including the technical and organisational security measures in place to protect your personal data.

However, as no mechanism offers maximum security, there is always a degree of risk when using the Internet to transmit personal information. You should always be vigilant about the data you may transmit.
